

Cycle Mechanic

30 hours per week

Fixed term contract – 6 months

£16,000 per annum(pro-rata)

Friends of Pedal Power - Cardiff's only accessible cycle hire facility is looking for a Cycle Mechanic. The Cycle Mechanic's main role is to take responsibility for the servicing and regular maintenance of our fleet of bikes and trikes, but will also be required to put a general repair service for the public into operation. The Cycle Mechanic will also be responsible for ordering spares in accordance with set procedures, and maintaining all service records.

This post requires an individual who is a team worker with strong communication and organisational abilities and who has Cytech qualifications or similar. Applicants must also be in possession of a full, clean driver's license and 25 or over.

How to apply

An application pack can be obtained from info@cardiffpedalpower.org or tel: 029 2039 0713 (please provide your name and address) If you wish to have an informal discussion about the post please contact Chris Esprit, Cycle Hire Manager, on the above number

Closing Date: 19th July, 2010

Interviews will be held on: 28th July, 2010

Friends of Pedal Power is an equal opportunities employer and welcomes applications from all sections of the community
